HIDDEN IN THE HEART OF RUTHERFORD, **Quintessa** is a 280-acre site that reflects a diversity of geology, biodiversity, exposures and microclimates. Inspired by this distinct property, founders Agustin and Valeria Huneus believed that it was destined to become one of the world's great wine estates. Today, a total of 160 acres are planted with Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot and Carménère on 26 vineyard blocks. Each block is farmed—organically and Biodynamic®—harvested and vinified individually to preserve and enhance the nuances of the land. Inspired by the land's natural grandeur, the Huneus family dedicated themselves to capturing the beauty and harmony of this land in the form of a great wine.
